Chapter 1 by Arkham Knight

You write what you want to about video games

Chapter 2 by Kalil Warren

A light flashes in your eyes. Everything is dark around you. You are tied down by straps. Forced to stare at a blurry yellow blob. Your eyes start to adjust. There on the screen is PacMan.

"Play the Game" Said the voice from behind you.

Chapter 3 by LiamLeblanc13

You move forwards. Gulp. Maybe this wasn't the best idea... you never really were good at PacMan anyways.

Chapter 4 by [BLDE_79] LeMaironi- merry chrysler

You touch the joystick, and the world blurs, your straps disappear, and Pac-Man is gone.

You hold a device with three buttons on it. You hear five beeps, and then a metallic voice say "Go!"

The music starts. You push the buttons to the beat, and threats disappear. You enter the next room.

When the anomalies in the room appear. You must to disappear the Tracker leaves your hands.
